From our beginnings in 2001 as a joint venture between GHI and The Eswell Manufacturing Group, Eswell-GHI has grown to become one of the largest importers of cabinets from China in the U.S., with two fully-equipped factories in Shanghai and a new 125,000-square-foot distribution center in Hegins, PA.

Over the last decade, we have built a reputation for superior quality and exceptional style. You can rely on our experienced designers, premium materials and strict quality control practices for the finest kitchen and bathroom furnishings.
